THE WEEKLY DIGEST

VOL. NO. 70 NO. 9

SECTION TWO

AUGUST 31, 1975

INDEX TO VOLUME 69

JANUARY THROUGH JUNE 1975

Items in QUOTE are arranged alphabetically according to subject matter. In the semi-annual index, the first numeral in each reference indicates the page, therefore "AVERICE-75" tells you that an item on Avarice will be found on page 75.

One or more letters following a page number, refer to material in regular departments. For example: "BASEBALL-21-SS" indicates that an item on that subject is in Sport Shots on page 21. The reference to "BACHELOR-66-d," means that an item on that subject will be found in the regular Good Stories section on page 66 under index letter d.

Quotations in the section May We Quote You On That? are also numbered and a reference such as "AMERICA-26-10-Q" refers to a quotation on that subject on page 26 in the May We Quote ... section. When the letter "t" follows the Q as in the reference "ATHLETICS-312-1-Q-t;" it indicates the special Quote-ettes feature on page 312.

When the letter "F" follows a page number, this refers to filler material, printed in italics, on that page.
